

StoneWood Group

For over 30 years, StoneWood Group Executive Search has helped build successful Canadian organizations. As Canada's leading cleantech search firm, StoneWood's experience includes the placement of cleantech executives in areas spanning: investment, power generation, energy infrastructure, biofuels and bioenergy, recycling and waste, remediation, and water.

Through the company's cleantech, technology, industrial, and non-profit practices, StoneWood Group delivers boutique quality search services on a global scale. Using unique and proven processes, state-of-the-art tools and technology, and hands-on industry experienced partners, StoneWood's team works closely with clients throughout the search to secure the talent required. The firm's flexibility ensures each search is tailored to meet clients' specific needs.

With offices in Toronto, Ottawa, and Vancouver, StoneWood Group extends its national reach worldwide, through founding membership in the global search partnership known as Access Search Partners. Through Access Search Partners, we have direct access to potential candidates throughout North America, Europe and Asia Pacific and have successfully completed over 150 cleantech searches, including 8 for the largest cleantech Canadian investor.
