

XPV Capital Corporation

XPV Capital Corporation is a Toronto-based investment firm focused on making a difference in water. By combining proven water entrepreneurs with seasoned investment professionals, XPV is a true value added financial partner for both investors and companies aiming to capitalize on the sweeping transformation taking place in the global water industry.

XPV uses its unique industry insight and focused investment approach to invest capital on behalf of institutional and individual investors looking to generate superior returns by investing in rapidly growing water enterprises. An important part of our success is based on putting our water and investment resources to work by helping portfolio companies expand their strategic networks, execute market driven milestones and maximize shareholder value.

We invest at all stages of a company's growth cycle and seek potential investments throughout the global water community.

If you are an investor or entrepreneur seeking a knowledgeable, experienced and dedicated investment partner to make a difference in water, then XPV is the right partner for you.
